XM radio is great. It is the most entertaining radio that provides a variety of channels that are not available on regular bright FM or AM radio. I chose to pay for the XM radio because of the service it provides me with. As a customer I think that it is outrageous to take away channels from XM that I am paying for. I respectfully urge you to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. SUPPORT XM!!!!!!!
